**HONOR MILITARY
ACADEMY**

1968

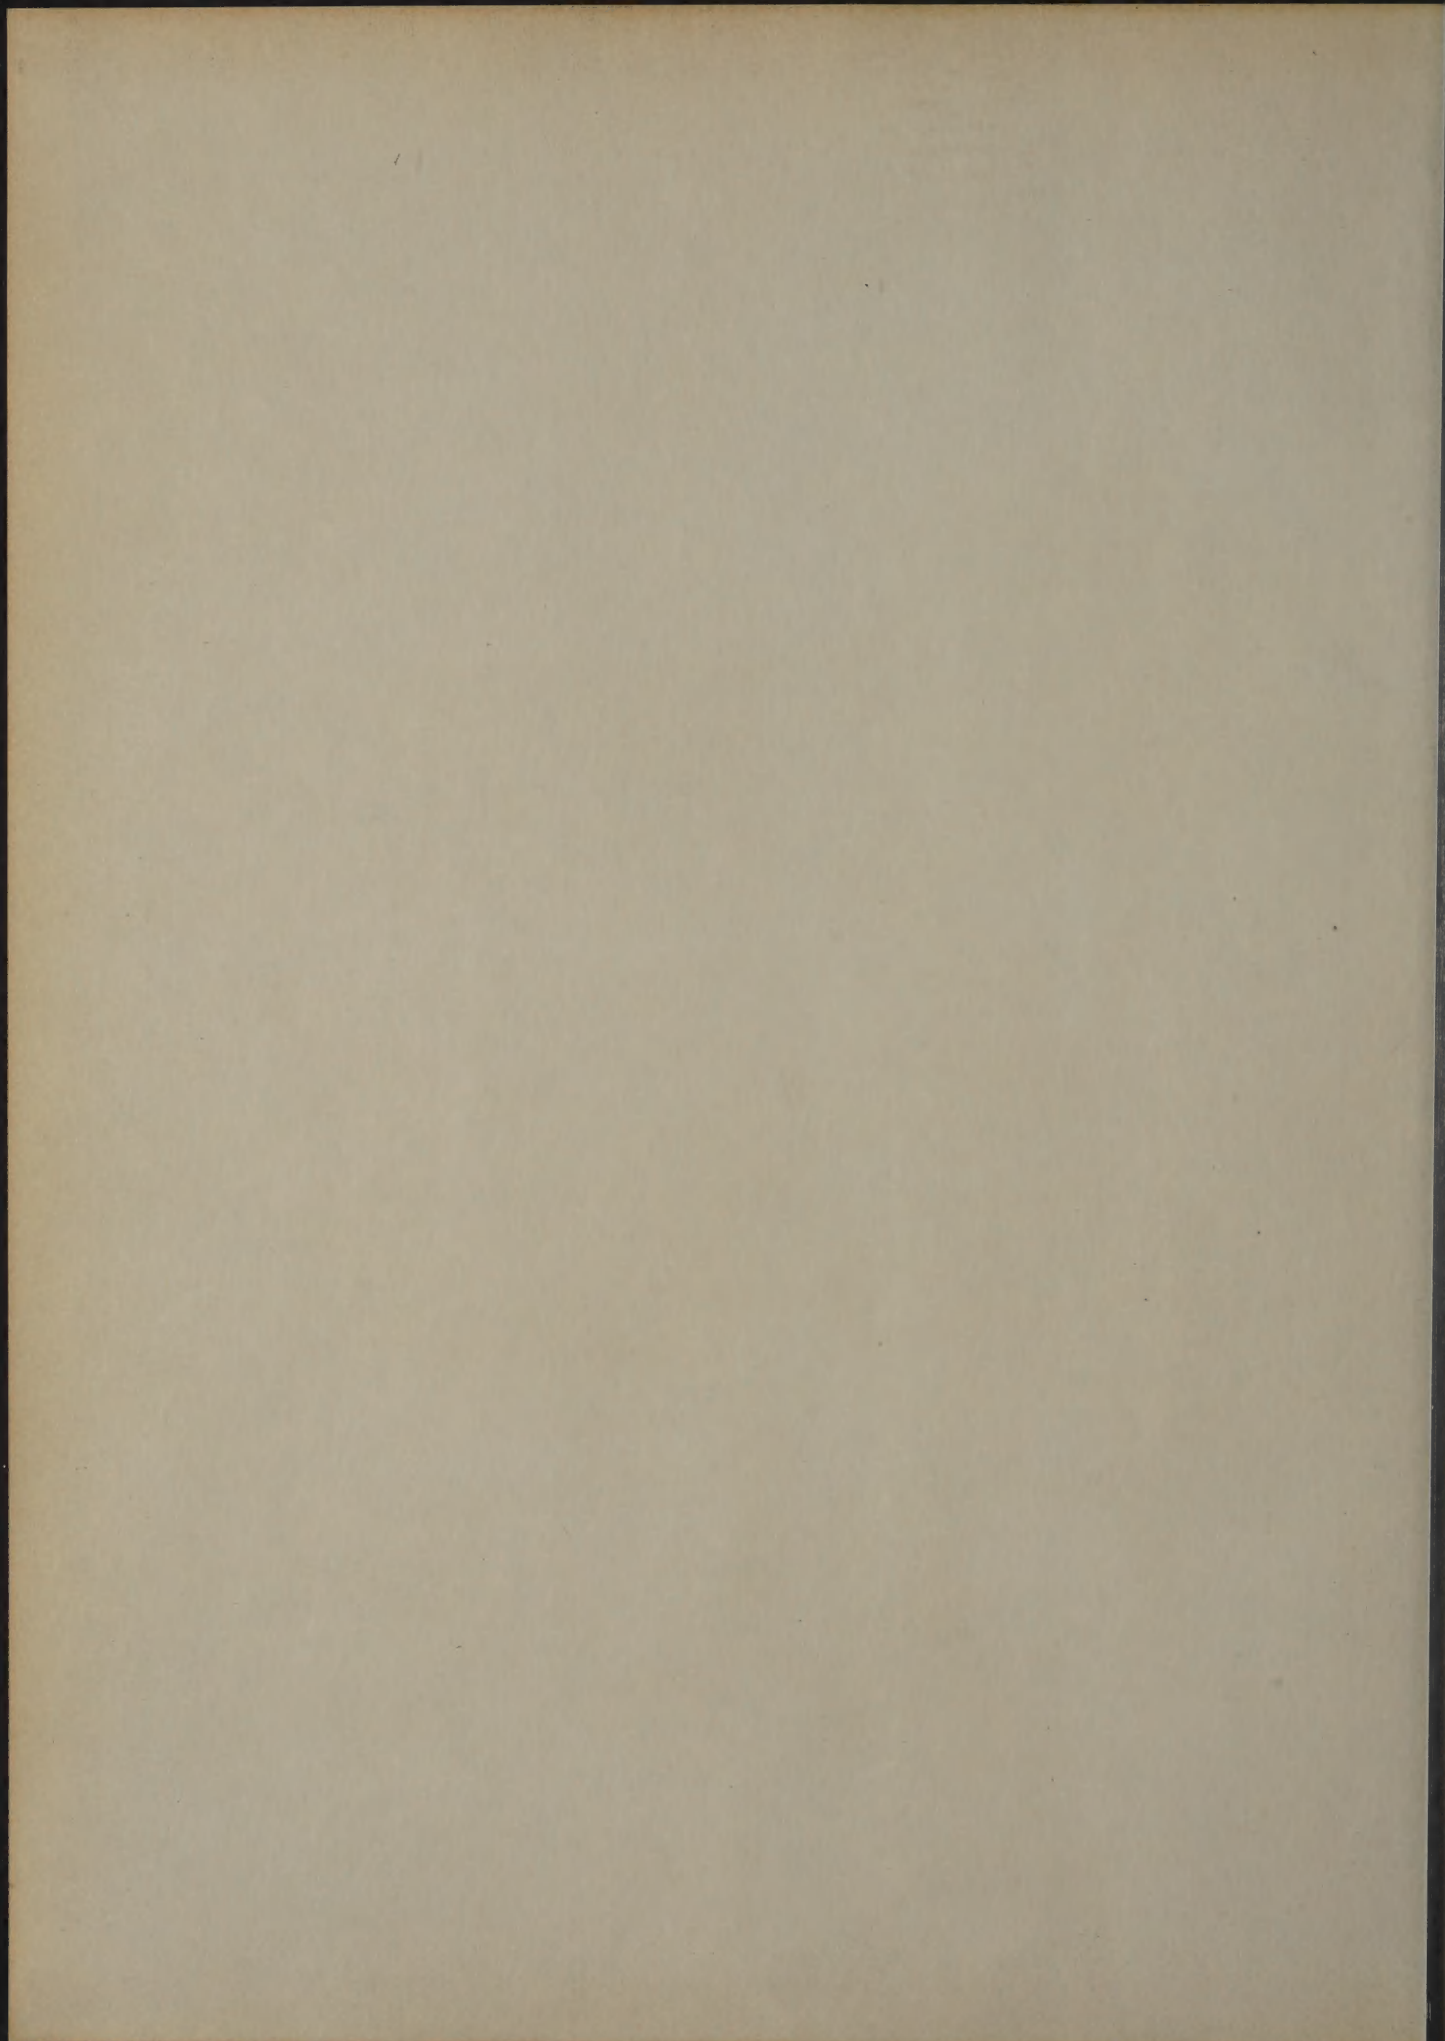

ALLEN COUNTY PUBLIC LIBRARY

3 1833 07522 6479

To Turn Boys Into Men

To Teach Discipline and Self Control

To Instill Academic Honesty And Athletic Fairness

To Develop Personal Pride

*This has been the tradition of Allen Academy since 1886...
it was the record of a school year enriched by Sargent Black,
the ram, the psychedelic tank, and fierce school pride.*

*Thirty-five college sophomores and fifty-nine high school
seniors were graduated. Traditionally eighty six percent
of these young people will attend an institution of higher
learning next year.*

*For those not returning, best wishes for every success.
For those returning as members of next year's student body,
the responsibility of Allen Academy tradition is yours to
perpetuate.*

Neque timē, neque recēde.

THE WHITE HOUSE

WASHINGTON

TO THE 1968 GRADUATING CLASS
THE ALLEN MILITARY ACADEMY

Let me extend to each of you the warm congratulations of a former teacher who, in spirit, shares your sense of achievement.

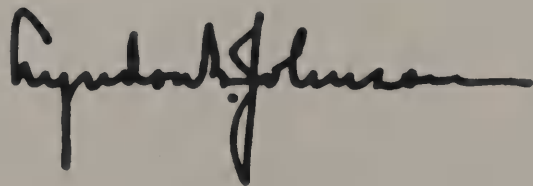

You have laid a foundation for useful and satisfying lives. Before you get on with the work, I would like to offer a few thoughts that you may find useful.

The passion to succeed, to achieve great things, is strongest in youth. Heed it. Do not squander your lives in petty pursuits. Commit yourselves now to a course that will strengthen you for the trials and opportunities of life.

Prize your individuality always. Whatever your place in society, whatever your work, do not surrender your self-reliance or compromise your independence. Liberty is and always will be your most precious possession. Guard it well.

Direct your energies, your talents, and your desires to what is best for yourselves and best for your country. We look to you to redeem what is wrong in our national past and to build what will be great in our national future.

Let this be your wish: that you may look back upon this graduation—from no matter how many years hence—with the conviction that you have treated all men with honesty and goodwill, that you have put your heart into your work, that you have done your best.

A handwritten signature in black ink, reading "Lyndon B. Johnson". The signature is written in a cursive, flowing style with a long horizontal line extending to the right.

BACCALAUREATE

Rev. Morris House, pastor of the First Methodist Church of Bryan, spoke at Allen Academy Baccalaureate Services May 19.

Rev. House attended SFA State Teachers College, Sam Houston State College, and SMU where he did his theological studies. He joined the Texas Methodist Conference in 1938.

Rev. House is a member of the Lions Club, the Chamber of Commerce, the Bryan-College Station Ministerial Association and a board member of the Brazos Valley Rehabilitation Center.

His baccalaureate address, entitled "You Are Somebody," came from the text of John. In summary, he said, "We come from God, serve God, and will return to God."

GRADUATION

M. J. Neeley, former student, noted businessman, and civic leader in Fort Worth, addressed the 82nd Graduating Class of Allen Academy May 20.
